

To strengthen our team, we are looking for:

SAP Migrater/Transformation Consultant (m/f/d)

Who is anuwo?

anuwo, a consulting firm based in Speyer, Germany, specializes in **archive consulting** in **SAP environment** and has established itself on the international market over the past 14 years. Our team of cross-application business consultants advises renowned national and international customers from all industries – **from Speyer to the world!**

What to expect:

- Implementation of SAP migration projects in the archive area
- Communication with partners and customers in the context of transformation projects
- Reliable and conscientious project documentation
- With increasing project experience, independent project management, coordination of customer requirements, and customer communication

What you should bring in:

- Completed degree in (business) information technology, business administration, or comparable training
- Technical experience in the SAP environment
- Interest in document management, data migration, and digital business processes
- Analytical thinking and a structured, solution-oriented approach to work
- Teamwork and communication skills
- Very good written and spoken German and English
- Initiative and sense of responsibility: ability to work independently and willingness to take on responsibility

What we can offer you:

- Your potential is our focus: we encourage and challenge you to perform based on your individual strengths!
- On-the-job training: mentoring by experienced colleagues
- Personal workspace with laptop and company cell phone to set up, settle in, and work – drinks and your choice of fruit are also provided
- Flexible working models
- Performance-based compensation

Interested?

Then we look forward to receiving your application and getting to know you!
